- COURSE RENOVATIONS BEGIN SEPTEMBER 21ST
- 19TH HOLE NOVEMBER 13TH

New Club Manager

It is a real privilege and an exciting opportunity to take on the role of Club Manager, a position I am incredibly proud to step into. For me, this club is much more than just a golf course. I have been a member and part of this golfing community for the past 30 years, so I have a deep connection with the club, its members and everything that makes it such a special place. Golf has been a huge part of my life. Over the years, I have had the opportunity to represent Aorangi in representative teams for 33 years, as well as travelling to America to play representative golf. Those experiences have given me some wonderful memories, lifelong friendships and a real appreciation for what makes a successful golf club. Taking on this new role feels like the next chapter in that journey. I am very excited about the opportunities that come with the position, particularly the chance to grow and develop our coaching programmes, as well as taking on the responsibility of running the Golf Shop. Looking ahead, I am positive about where we can take the club. My aim is to help build on the strong foundation already in place, support our members, welcome new golfers and ensure our club continues to be a great place to play, compete, socialise and enjoy the game we all love. Having been around the club for 30 years, I know what makes it special. Now I am looking forward to playing my part in helping shape its future. I would like to take this opportunity to thank everyone for their support as I take on this new role.

Kind regards,
Nigel Heney
Tinwald Golf Club Manager

Message from the President

A new chapter in the club has begun, with Nigel taking over as our new Club Manager. I'm sure that, with your support and his enthusiasm, we are destined for more success. I wish Nigel all the best in the role and look forward to working alongside him. I also want to take this opportunity to thank Harry for everything he brought to the position and for the high level of professionalism he demonstrated during his time in the role. His contribution to the club has been greatly appreciated. As we head into summer, with twilight golf returning and hopefully some better weather ahead, I would like to congratulate all our Club Champions, trophy winners and competition winners from the past year. Your achievements are a great reflection of the commitment and enthusiasm within our club. We also have some exciting projects coming up, with the cart shed extension and internal clubhouse upgrades on the horizon, along with the final touches being completed in our new kitchen. A special thank you needs to go to John Smitheram for his huge contribution to transforming the kitchen. John has put in a tremendous number of hours to help bring this project to life, and I'm sure he would appreciate a thank you when you see him around the club. Thanks also to Nathan at Stephen's Electrical, Pete at Trembath Plumbing, and Skip at Skip to It Flooring for their help and contribution to the project. With the AGM fast approaching, I encourage members to consider putting their hand up for the committee or one of our subcommittees. There are plenty of opportunities to get involved, contribute ideas and help keep the momentum going as we continue to drive Tinwald Golf Club forward.

Thanks,
Jeff

Committee Meeting Notes

Just a reminder that all committee meeting minutes are available for viewing in the clubhouse.

The AGM is coming up on Monday the 16th of November at 7pm. Calls for nominations for committee roles and all officers are welcomed, then nomination forms are available on the notice board in the clubhouse.
